

**STATELINE ENSURES SECURITY
IS NEVER COMPROMISED**

Municipalities shoulder the responsibility of the safety and security of their citizens. Access to a consistent source of power when the skies turn dark is not only important — it can be a lifesaving investment.

From emergency services like police, fire and rescue to the community alerts that protect so many when danger looms, municipal services must stay fully connected. Stateline offers stationary and mobile solutions that support municipalities in delivering their most crucial services.

Stateline offers a variety of stationary and mobile power generation products that are geared specifically for use in municipal environments. The products featured on this page are just a few of the Stateline backup power solutions working within municipalities throughout the country.
